

To _____

September 12, 2011

Hope you have had a wonderful summer, but I know you are excited about curling season. That is one good thing about going back to school; curling season is not far away. In just over a month, we will return to the ice surface for another season of on-ice excitement.

Our Program

1. We will curl most Sundays from October to April from 1:45 pm to 3:30 pm. See dates below.
2. The first three dates in October are Instructional Sundays as we teach you how to curl. If you are new to curling, these are "free" instructional dates so you get to try curling for free. If you decide to join for the season, you can pay the membership fee at the end of October.
3. During the two draws, we will have a 15 minute practice session followed by a six end game with different teams every week. Each week, players earn 5, 4, or 3 points depending on whether their team wins the game. There are always instructors on the ice surface to assist with skill development during the game.
4. At the end of the each draw, we will have playoffs followed by prizes for ALL curlers. Each curler gets to pick a \$10, \$15, \$20 gift card.
5. On our last Sunday, we will have a pizza party where we award the trophies to the players

To Register

1. Complete the registration form (both pages).
2. On Oct 16 at 1:30 pm, come to the Brant Curling Club with payment and forms.

Bring Friends

As always, we want to grow our great sport. Bring friends during the three weeks of instruction, at no cost to your friends. We will teach them how to curl and if they enjoy the game, then they can join. To bring friends, follow the instructions below:

1. Have your friends complete a registration form (both pages). Copy available on the website.
2. On Oct 16 at 1:30 pm, bring your friends to the Brant Curling Club with their completed form.

Please tell your friends to dress warm for the ice surface, to wear loose fitting clothing for maximum flexibility, and most important, bring with them **a pair of running shoes that have not been worn outside.**

Bring a Friend - New Curler Bonus

If your friend joins our club, you and your friend will receive

1. **\$10 each** in pop/chip/chocolate bar coupons that can be used during Sunday curling.
2. You and your friend will play on the same team during the first draw.
3. Only one coupon per curler.

Website

Information about our program is posted on the website <http://brantcurlingclub.ca> Also, we will communicate information (changes and updates) by email (w.calverley@sympatico.ca).
